

## General Terms of Use Information

With the exception of images produced by the SeaWiFS, QuickBird, and IKONOS instruments all images on the Visible Earth are governed by NASA's Terms of Use below.

### NASA Terms of Use

For all non-private uses, NASA's Terms Of Use are as follows:

1. The imagery is free of licensing fees
2. NASA requires that they be provided a credit as the owners of the imagery

### Visible Earth Addendum

Beyond the NASA Terms, the Visible Earth team requests, but does not require:

1. The Visible Earth be provided a credit as the location that the imagery was found at
2. A URL be provided, either to the Visible Earth (<http://visibleearth.nasa.gov/>) or to the page providing the link to the used image.
